111(d)(1) OF THE PUBLIC UTILITY)	CASE NO. 203(d)

O R D E R

On April 27, 1981, Kentucky Power Company, by counsel, filed its First Set of Interrogatories, Data Requests and Requests for Documents directed to Appalachian Research and Defense Fund of Kentucky, Inc., (Floyd County Citizens Association, and certain other named individuals).

On April 29, 1981, Intervenor, the Floyd County Citizens Association, and certain other named individuals, ("Floyd County, et al."), by counsel, filed a Motion for Protective Order with respect to the interrogatories, data requests and requests for documents.

The Commission, having considered the matter and being advised, is of the opinion and finds that Floyd County, et al. should respond to the following Interrogatories, Data Requests and Requests for Documents: 3, 4(a), 5(a), 6(a), 18(a), 18(b), 18(c), 21, 24, 25, 28, 29, and 30.

The Commission further finds that Floyd County, et al. should not be required to respond to the other enumerated interrogatories and requests since they are either unduly burdensome, matters of public record and available to all parties, matters which are proprietary in nature or matters which may be pursued by cross-examination.

IT IS THEREFORE ORDERED That Floyd County, et al. shall respond to the interrogatories and comply with the data requests and requests for documents as set forth in the above finding and that said responses, data and documents shall be filed by 3:00 p.m., Eastern Daylight Time, on May 4, 1981, in the Commission's offices, 730 Schenkel Lane, Frankfort, Kentucky, and shall be available to parties of record.

Done at Frankfort, Kentucky, this 1st day of May 1981.
